Gathering Renowned Enterprises

Beijing Financial Street is home to 1,900 financial institutions and 175 headquarters, including almost 20 of the world's Fortune 500 companies and over 100 top foreign financial institutions and international organizations.

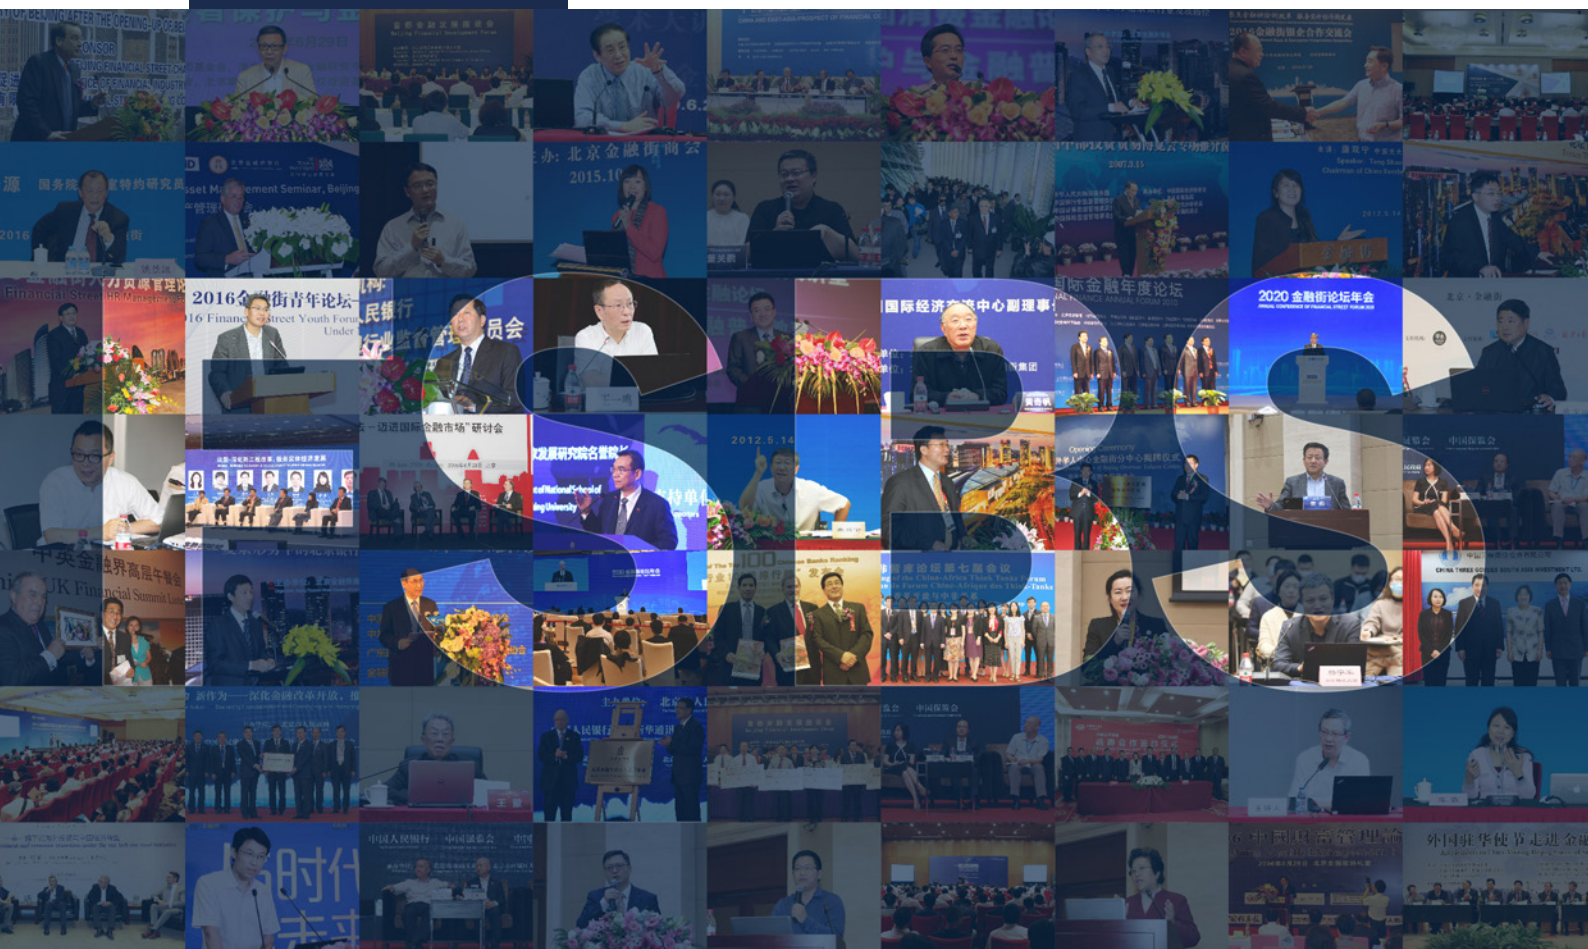

Capital Gathering

Within a central area of 2.59 square kilometers, banking institutions' financial assets gathered at Beijing Financial Street reached 113 trillion yuan, accounting for 34% of China's financial assets. Regional RMB payment services of Beijing Financial Street also account for 40% of the country's RMB payment services, and its foreign currency payment services account for 60% of the country's total.

Centralized Talent

Beijing Financial Street gathers 260,000 dream chasers who are the most outstanding financial talents of China. Together, they provide potent intellectual support for the nation's opening-up policy and the development of the world's financial industry.

FINANCIAL STREET BUSINESS SCHOOL

Financial Street Business School was co-founded by the Beijing Financial Street Chamber of Commerce, Financial Street Education, and other financial institutions -- situated at Beijing Financial Street -- and capital universities. Through its provision of a stable working environment (Beijing Financial Street) and proximity to high-level financial talents, FSBS strives to build a high-end learning platform that provides business training, academic seminars, and exchanges for senior management talents.

School Philosophy

Joint Contribution and
Shared Growth.

School Goals

Gather top, renowned
financial experts.

Cultivate first-class financial
talents.

Mission of School

To cultivate more local Chinese financial talents who are familiar with the international financial market's rules and support China's growing prestige on the world stage.
